

Make the Most of Your Membership

Submitted by Mara Fraser

The benefits of having a **Woodcreek Family Membership** are almost too many to count, and we believe it would be hard to take advantage of them all! **\$25** annually is all it takes for your kids to get their faces painted at least 4 times a year, play carnival games, get prizes, share hobbies, and have an array of popular sports available to your whole family all year round. Purchasing a community membership is a great idea. Take a look at the free opportunities that come with a family membership:

- Free children's events at Easter, Halloween and Christmas – each of these include a variety of activities for kids and their parents, seasonal treats, and a whole lot of fun!
- Family Fun Day (spring) – free BBQ, face painting, games and prizes, and a chance to see inside a police cruiser or fire truck
- Stampede Breakfast – free food and entertainment, and games and prizes in the “Kids’ Corral”
- Ice rinks – both the hockey rinks and pleasure rinks are yours to use all winter
- Basketball Courts, Skate Park, Tennis and Pickleball Courts – available to use all spring, summer, and fall
- Parents and Tots – meet each Thursday morning year round
- Gardening Club – being a part of this club is free for community members of all ages
- Clean up Days (spring and fall) – Woodcreek hosts 2 of these events a year where dropping off tires, clothes, electronics, etc. is free for community members
- Get Going program (spring) – a seven-week afterschool program that provides exposure to a number of sports and fun activities for elementary children

Aside from free events, there are also discounts available to community members:

- Spaghetti Suppers and Evenings out for you and your date a few times a year (New Years Eve Celebration, St. Patrick's Day, Oktoberfest to name a few of our previous events)
- Pickleball League
- Renting the Community Centre for your special events
- A number of our community businesses also provide discounts to community members.

The value of these events is easily worth hundreds of dollars, and it is all **free** for members. Your community is a great place for you and your family to meet people, try new experiences and have a whole lot of fun.

Your membership also entitles you to make a difference in your community. Members can influence the work of the Woodcreek Community Association through serving as a volunteer on the WCA Board. Members in good standing can vote at the WCA Annual General Meeting.

Start taking advantage of your membership today! Now available for purchase online. Visit www.woodcreekcommunity.ca/membership.
