

## GUIDELINES FOR WOODCREEK RACQUET MEMBERS

The Woodcreek Community Association operates the tennis and pickleball courts at Woodborough Park (36 Woodborough Road SW). This includes replacing and upgrading equipment, security, and the cleaning and maintenance of the courts. This community-run facility is available for use by individuals and families who are members of the Woodcreek Community Association **and** have purchased WCA Racquet Memberships. The success of the summer racquet program depends on the players who use the courts. We ask all members to respect the rules of the court booking system, the conditions of the facility, and all players using the courts. This facility is for fun, social and recreational use, and we encourage all members to reflect on our community values.

Members can book tennis and pickleball courts 7 days in advance. All players using the court **must** have a WCA Racquet membership **and** be listed on the court booking.

Limit play time to 1.5 hours during **PRIME-TIME** hours. **Prime-time hours are Monday – Sunday from 8:00AM – 12:00 PM.** Otherwise, maximum booking time is 2 hours. To ensure every member has access to court time please, **no** back-to-back bookings. If nobody has booked a court after you and you want to continue playing, you are welcome to do so. **Not using your booking?** Please cancel the booking as soon as possible, giving other members the opportunity to book.

Please wait for your booked court time on benches outside of the courts. Do not enter your court sooner than your booked time. It is disruptive to those still playing. **When using courts with portable nets, move the nets to the back of courts when finished,** as a courtesy to those members who choose to play tennis.

**Ball machine use and drilling restricted to 1:00 – 5:00 PM daily when courts available. Those providing lessons should book a court during NON-PRIME time and notify the office immediately.**

While using the courts, we ask all players to do their part to keep the facility clean and secure:

- Dispose of garbage in bins outside each gate. Do not leave garbage inside the court area.
- Use closed, spill proof containers for your beverages.
- No dogs/animals allowed in or on courts.
- Lock the gates when entering/leaving courts.
- For safety reasons, do not use items (barriers) to separate courts or to stop balls, i.e. crates, bags.
- Leave with everything you brought.

Respect our neighbors: The planters enhance pedestrian safety. Refrain from parking in between planters and in front of mailboxes, driveways, and curves. Try using neighbour-friendly equipment such as quiet or noise-reducing paddles and balls or trying a new game such as Typti. Woodborough Park Racquet facility hours are 8:00 AM – 9:00 PM daily.
