

How To

Practice Neighbourhood Safety

The Safest Communities Are Connected
Communities Where We Know Our Neighbours

☀️ Golden Rules ☀️

- ★ Don't make assumptions or judgements.
- ★ Respect personal space.
- ★ Ask for permission to help.
- ★ If your offer to help is declined, that's okay, don't take it personally.

When Neighbours Know Each Other, They Naturally:

- ✓ Look out for one another
- ✓ Notice unusual activity
- ✓ Share helpful information
- ✓ Offer support in emergencies

Simple Ways to Support Your Neighbours

- ❖ **Be Visible**
 - Greet neighbours
 - Spend time outside
 - Attend local events
- ❖ **Share Light Information**
 - Vacation heads-ups
 - Package watch-outs
 - Weather alerts
- ❖ **Know Key Contacts**
 - A few neighbour phone numbers or start a group chat on WhatsApp
 - Know what community resources are available

Other Things to Watch Out For

When in doubt — check in kindly first.

- ❖ **Unfamiliar repeated activity**
- ❖ **Packages piling up**
- ❖ **Someone who may need help**

Safety is about care not fear. Connected communities reduce crime simply by being engaged and supportive.
